## Complimentary Access to Runtime Deal Maker by Compliance Systems

**Grand Rapids, MI – March 19, 2020** - Compliance Systems is extending 90-day complimentary access to its Runtime Deal Maker tool for all current licensed financial institution clients. Given the developments and ongoing uncertainties currently being faced, it is critical that our financial institution clients have every technology resource available to help them support their lending operations and their banking customers.

Runtime Deal Maker allows institutions to unlock Compliance Systems' transaction documents and make any modifications to their language necessary to close deals. Documents are easily exported from Deal Maker as unlocked PDFs, which can then be edited in Microsoft Word on a loan by loan basis.

"Compliance Systems knows that not every loan is a standard loan. That's why Deal Maker is such an important extension of our Simplicity Runtime product. Given the current economic environment, we want our clients to have the tools in hand to be as flexible as possible," said Ronny Chapman, President of Compliance Systems.

"Keeping our clients competitive has always been the name of the game. Now more than ever before, we know they need the flexibility to rewrite standard loan language in order to close more business," said Chris Appie, Senior Vice President and Counsel of Compliance Systems. "We're here to help during this crisis."

If your institution uses Simplicity Runtime and is interested in unlocking Deal Maker at no cost for the next 90 days, please contact <a href="mailto:support@compliancesystems.com">support@compliancesystems.com</a> or call 800- 968-8522. Your Simplicity Runtime configuration will be temporarily extended to include Deal Maker for 90 days and educational material will be provided. There is nothing for you to install or uninstall.

Prior to the end of the 90-day period we'll reach out to those institutions with complimentary access to Deal Maker. At that time, clients can continue using the service for the nominal subscription fee or discontinue use. Financial institutions must request this promotional access to Deal Maker before September 30, 2020.
